Pisanki

Ukrainian Dyed Eggs

Wednesday, March 30
6:30 – 8pm
Union South (Check TITU)

Join Jaroslava Sobiskova, a Madison-based artist, to learn the Ukrainian tradition of Pisanki!

Pisanki are created by drawing on an egg shell covered with a layer of wax, or alternately drawing designs with wax on bare egg. The egg is then submerged into a dye to create colorful designs.

We hope to see you there!
